

Care at the Chemist

A quick and easy way to get free advice and over-the-counter treatment for a wide range of everyday illnesses.

Ask a member of the pharmacy team for details.

Who can use it?

Most patients will be able to use this scheme, but some age restrictions will apply for different treatments. Your pharmacist will be able to advise you further.

How much does it cost?

If you do not pay for your prescriptions all medicines supplied through the scheme will be **free of charge**.

If you usually pay for prescriptions, you will only pay for what the item costs or a standard prescription fee (whichever is lower).

What can be treated?

Allergy	Ear wax	Mouth ulcers
Athletes foot	Genital thrush	Nappy rash
Cold sores	Haemorrhoids	Nasal congestion
Conjunctivitis	Hay fever	Oral thrush
Constipation	Headaches	Sore throats
Coughs	Head lice	Temperature
